

IN THE DRAWINGS

In the Notice of Draftsperson's Patent Drawing Review (PTO-948) mailed on 17 November 2006, it was indicated that FIG. 41 was objected to due to poor line quality. To remove this objection, a corrected drawing for FIG. 41 is attached in the Appendix that follows page 2 of this paper. Upon further review, it appears that FIG. 39 is similar to FIG. 41. To remove any similar objection to FIG. 39, the Applicants have also taken the liberty of submitting a replacement sheet for FIG. 39, which is attached in the Appendix that follows page 2 of this paper.

Should the Examiner have any questions or wish to further discuss this application, Applicants request that the Examiner contact the undersigned attorney at (480) 385-5060. If for some reason Applicants have not requested a sufficient extension and/or have not paid a sufficient fee for this response and/or for the extension necessary to prevent abandonment on this application, please consider this as a request for an extension for the required time period and/or authorization to charge Deposit Account No. 50-2091 for any fee which may be due.

Respectfully submitted,
INGRASSIA FISHER & LORENZ, P.C.
